CERTIFICATE OF CONFORMITY

BB / 204 / 679 / 070-00-P / 01

BCCA declares that is found that the applicant:

Steenbakkerij Vande Moortel N.V.
Scheldekant 5
BE - 9700 Oudenaarde

takes the necessary measures to bring about that the products:

CLAY PAVERS

as identified in the catalogue annexed to this certificate and manufactured in the production unit:

Steenbakkerij Vande Moortel N.V.
Scheldekant 5
BE - 9700 Oudenaarde

meet a specification, drawn up in accordance with the rules of the standard
NBN EN 1344 and the Technical Prescriptions for the BENOR mark: PTV 910.

This certificate is based on the finding that the manufacturer carries out the following tasks, in accordance with the application rules TRA BB 204 drawn up by BCCA:

- The realisation of the initial type testing in relation to the declaration before the placing on the market of every new product and at every significant change of an existing product;
- The implementation of a production control system, approved by BCCA, that complies with the rules of the standard NBN EN 1344 and the TRA BB 204;
- The application of a specific conformity control plan, approved by BCCA, for all of the products manufactured under certification.

and on an external surveillance by BCCA, that consists of:

- A regular validation of the available ITT, completed with verification tests carried out by BCCA;
- An annual audit of the production control system;
- A regular verification of the results of the internal control;
- Regular control tests at random in an external test laboratory, on samples taken by BCCA in the production unit or on the market.

On the basis of this certificate, BCCA grants the applicant the right to use the BENOR mark as an attestation of the conformity of the product characteristics with the specification.

This certificate and the right to use the BENOR mark are limited to the products mentioned in the product catalogue, which is inextricably linked to this certificate. The validity of this product catalogue is limited to 15 months after the date of publication.

This certificate was issued for the first time on **01-04-2007**.

The present certificate will be valid on **01-04-2016** and remains valid until **31-03-2019**, as long as the normative specifications and regulatory conditions are not modified.

Drawn up in Brussels on 16-03-2016.

ir. Benny De Blaere
General Manager
